

Intermediate Course in Family Therapy (Fall 2019)

This course is designed for human service professionals who are interested in the application of family therapy to enhance their current profession. The training format emphasizes a hands-on approach and includes didactic lectures, exercises for skill training, group discussions, and role play. The course involves participation in live case demonstrations led by Wai Yung Lee, Ph.D., Clinical Director of The Asian Academy of Family Therapy. The course comprises of an in-depth exploration of how the systemic perspective can be adopted more effectively to enrich the multidisciplinary practice in the human services.

Professionals from various backgrounds including medical doctors, psychologists, social service practitioners, educators, and other professionals from related fields are encouraged to join. Applicants should possess basic knowledge in family therapy and may be subjected to a pre-admission interview. To learn more about basic concepts in family therapy, please check out our Basic Certificate Course in Family Therapy.
